Rhineland Farm Farmhouse & Beulah Jane Cabin

We have been residents of Glen Rose for 25 years. We have lived at our current location for 12. Guests often stay at the little house that was once an implement and electrician storage shop. We converted it into a quaint little guest house. Come for the night or stay several. The house has 1 queen bed and a queen-size sleeper sofa. Fresh-ground local coffee is provided, as well as the fixins' for your morning breakfast. All food is local when available. Goats, pigs and chickens are part of our working farm. You will love stopping by to say hello to them. We will do our best to accommodate food allergies.

Pricing \$100 Nightly (Includes breakfast).
