We're starting the year right!

We are steadily working on projects for this quarter and have many fantastic future projects in the works. Frank is rebuilding our website so that it is functional AND beautiful! It is a work in progress, we ask for patience as each page is meticulously audited and redesigned. Updates are being made daily! We plan to make many of our forms digital on the website which would allow for easy online submissions rather than downloading, printing, and returning by email. Modern website features such as that create a streamlined processes that simplifies things for our members. Another goal is to have the payment portal within the same website so you won't have to be redirected to another site to pay your membership or club fees. We will address that task further along in the website redesign process.

Today we added the membership expiration date as a column within the membership directory table on the website. This allows race facilitators to easily check the membership status of their riders! In addition, this helps our members as another way to check when they need to renew.

We are discussing the idea of switching to a consistent Jan-Dec membership year. Meaning there is no guessing when your membership is up, it would always expire Dec. 31st. This would allow for a renewal reminder to go out via email at the end of December each year. There would be no deadline for joining, if you were to join or renew March 12th your membership would expire December 31st just the same as if you had joined January 5th. This is just a topic of discussion and no decision on switching to this method has been made yet!

We have been auditing the International Advisory Panel (IAP) list and plan to start utilizing it by conducting quarterly personal meetings by region and a large annual meeting with all members of the IAP. Listening to our membership and maintaining communication is a priority!

Great things happening! Don't hesitate to reach out at any time with questions or concerns!

Cheers!

2025 Queensland State EXCA Championships - A Weekend to Remember

Submitted by Deb McGhee

From March 14-16, 2025, Bundaberg & District Extreme Cowboy Racing Inc proudly hosted the 2025 Queensland State EXCA Championships in Australia. This was a first for the Club of ever hosting an event at the State level. With over 200 runs across the weekend, it was a fantastic display of skill, dedication, sportsmanship and the strong partnerships between horse and rider.

We were fortunate to have Shane Woodall, Amber Scriven, and Natasha Webber as our judges. A special thank you to Shane for designing courses that were both fun and challenging, as well as for running a clinic and offering private lessons to help competitors refine their skills.

The competition was a true test of horsemanship, with months of training reflected in every run. It was inspiring to watch riders and their horses navigate obstacles with determination, precision, and trust. But beyond the competition, the weekend was also about camaraderie, encouragement, and plenty of fun - both in and out of the arena!

We kicked off with an opening ceremony with the traditional flag run and a Cowboy's Prayer, followed by three days of exciting runs. The cheers from family, friends, and spectators created an incredible atmosphere.

The Bundaberg & District Extreme Cowboy Racing Inc Committee would like to sincerely thank all competitors, volunteers, sponsors and spectators for contributing to such a well-run and enjoyable event.
