BRAVE HORSE

July 2017

Welcome to the Extreme Cowboy Association

We are excited about 2017 and the many fun filled and exciting Extreme Cowboy Racing events that are on the schedule. The formation of EXCA has been an thrilling and challenging adventure! Many people have worked tirelessly to create an association that you will be proud to tell your friends about.

This is the latest issue of your monthly newsletter, The Brave Horse.

You will receive it each month electronically around the middle of the month. The Brave Horse will be full of interesting stories, EXCA event results, point standings, human interest stories about EXCA members and Tips and Tales from our founder, Craig Cameron. We encourage you to communicate your suggestions for stories and ideas that will make The Brave Horse fun, better and more informative. The Brave Horse: the best newsletter in the equine world.

Please forward your ideas and suggestions to Frank Turben at webmaster@extremecowboyassociation.com

Equestrian Youth Foundation - Scholarship Fund

\$1000.00 to be awarded at the EXCA World Championship. Deadline approaching soon!

[Application](#)

The [Equestrian Youth Foundation](#) was founded on the belief that any motivated individual, in the equestrian industry, should have the opportunity to further his or her education. By removing some of the financial burdens associated with going to, surviving in, and graduating from college, the Equestrian Youth Foundation plays an instrumental role in increasing college access and success for many motivated equestrian young adults.

The [Equestrian Youth Foundation](#) provides educational scholarships for equestrian youth. These are paid directly to the educational institution, for students who qualify, from admission to graduation. The scholarship can be used to cover tuition expenses and related supplemental educational expenses such as books, lab fees, travel and costs of living.

"It's time to start making a difference. Not just with our horses, but with the people who are passionate about them. We need to invest in the future of Horsemanship and that starts here, with the Equestrian Youth Foundation".
